IT'S ABOUT COMMUNITY

Caring about the community has been a Canada Safeway tradition for more than 70 years. In 2002 we created the Canada Safeway Foundation to help those in need. By working to enrich the lives of many, the Canada Safeway Foundation is creating a legacy of *Caring from the Heart*.

IT'S ABOUT HEALTHY LIVING

Helping build healthy communities for healthy living means ensuring children and their families have the tools, knowledge and resources to remain healthy at home and in the community. That's why the Canada Safeway Foundation is committed to taking an active role in making our communities better places to live and work. These are the areas where we'll strive to have the greatest impact: hunger prevention and nutrition education programs, food safety and research, and disaster relief in times of crisis.

IT'S ABOUT GIVING

Giving is the lifework of the Canada Safeway Foundation. Please consider supporting the community through the Canada Safeway Foundation – your donation can make a difference.
